

DigiKality's **DARE**

My name is **Chris Rainville** and three years ago I was diagnosed with Leukemia (AML). During those three years I've been able to find knowledge, support and great friends at the **Leukemia & Lymphoma Society**. It is my privilege to do all I can to give back. I am raising money to benefit the society via the Light The Night Walk. This year my walk site is **Look Park in Northampton MA** and they have chosen me to be a "Honored Hero". I am looking to recruit walkers as well as gather donations. Give me a call: 860-265-4087 or go

online to www.digikality.com/dare to make a donation or sign up to do a walk.
